

POOL REFRESH™

Pool Water Moisturizer + Freshener

Softer-feeling water. A fresher swim.

When Your Water Needs a Refresh

Even well-maintained, properly sanitized pools can begin to feel dry or less inviting over time.

What Pool Refresh Does

Pool Refresh is a pool water moisturizer and freshener designed to:

- Help water feel silkier and more comfortable
- Add a fresh, clean swimming experience
- Enhance overall water feel for you and your guests

(Works alongside your normal sanitizer and water care routine)

Weekly dose of 5oz per 15,000 gallons

- Last 5-7 days in water
- Last step after your weekly water treatment
- Anytime you want a softer, fresher swim
